Re: Section 63.71 Application of Cincinnati Bell Telephone

Dear Ms. Dortch:

Cincinnati Bell Telephone (CBT) filed an Application for authority under Section 214(a) of the Communications Act and Section 63.71 of the Commission's rules to withdraw Tariff FCC No. 41 - Broadband Distribution Facilities on August 27, 2010.

Tariff FCC No. 41 was established based on a twenty-year arrangement for a single customer who has no desire to continue the arrangement after its expiration. Per discussion with Commission Staff, CBT is submitting a copy of the notification letter to that customer as an amendment to its August 27, 2010 Section 214 Application.

Questions concerning this Application should be directed to Mike Bishop at the above address, by phone at (513) 397-1231, or by fax at (513) 723-9815.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Susan J. Maggard".

Dear Ms. McDonald,

Cincinnati Bell Telephone LLC (CBT) and Time Warner Cable (TWC) entered into a Service Agreement made as of the 26th day of July, 1989 whereby CBT provides certain facilities to transport TWC's CATV signal from a meet point at TWC's Knob Hill distribution center to the various Service Locations in the Cincinnati area.

As a result of this Agreement, CBT filed with the Federal Communications Commission (FCC) Tariff FCC No. 41 - Broadband Distribution Facilities. This tariff was effective January 29, 1990.

The Service Agreement between TWC and CBT expires on September 30, 2010. TWC had expressed to CBT, via an email dated August 27, 2010, that TWC was not interested in pursuing an extension to the Service Agreement. Therefore, CBT filed a Section 214 Application with the FCC to withdraw Tariff FCC No. 41, effective November 30, 2010.

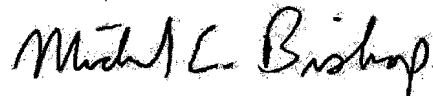

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 30 days after the Commission releases public notice of the proposed discontinuance. Address them to:

Federal Communications Commission,
Wireline Competition Bureau,
Competition Policy Division,
Washington, DC 20554

Include in your comments a reference to the § 63.71 Application of Cincinnati Bell Telephone, LLC. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

Please contact me with any questions concerning this letter. You may reach me by phone at 513-397-1231 or via email at mike.bishop@cinbell.com.

Sincerely,

A handwritten signature in black ink that reads "Michael E. Bishop". The signature is written in a cursive, slightly stylized font.
